

Aims International
Q. H. S. E.
General
Letter to All Employees

**All Employees
All Departments**

It is the policy of Aims International to publish policies and procedures concerned with Quality, Health, Safety and Environment and enforce such policies and procedures.

We want you to understand that in addition to:

- **Supplying quality products and service.**
- **Protecting the public health and environment.**
- **Assuring the safety of other contractors and general public who are in touch with our products and/or uses our services during our project time or transportation mission or long after we leave the site and handover the project.**

We care first and foremost about you our employee, our policies and procedures are designed to provide you with two things:

- **Assure your safety and health.**
- **Make you proud in providing quality products and services while protecting the environment and public health and safety.**

We are certain that with the proper training and follow-up from your supervisors the enforcement of those policies and procedures will become part of the way you do every day business.

We all do it because it is our attitude.

The Senior Management.
